Safe and Sound

SPS SEDATION PROVIDER COURSE[®]

October 21, 2022

*In conjunction with Pediatric
Critical Care Colloquium*

**UC DAVIS
HEALTH**

Center for Simulation and Education Enhancement
Center for Health and Technology Building

4610 X Street Suite 3301
Sacramento, CA 95817

This activity has been planned and implemented in accordance with the accreditation requirements and policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint providership of University of California, Davis, Health and Society for Pediatric Sedation. The University of

California, Davis, Health is accredited by the ACCME to provide continuing medical education for physicians.

The University of California, Davis, Health designates this live activity for a maximum of 6 *AMA PRA Category 1 Credit(s)*[™]. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Nurses

For the purpose of recertification, the American Nurses Credentialing Center (ANCC) accepts *AMA PRA Category 1 Credit(s)*[™] issued by organizations accredited by the ACCME.

Physician Assistants

Physician Assistants may claim a maximum of 6 Category 1 credits for completing this activity. The National Commission on Certification of Physician Assistants (NCCPA) accepts *AMA PRA Category 1 Credit*[™] from organizations accredited by ACCME or a recognized state medical society.

Providing practitioners with the knowledge, competencies and tools to promote high quality procedural sedation to children.

Meeting Information

Target Audience

The target audience for the SPS Sedation Provider Course® includes health care providers who have clinical experience in the area of pediatric sedation and who desire to enhance their knowledge and clinical competency in the field.

Statement of Need

This course is designed to meet the needs of the sedation provider seeking both simulation-based training and online educational content focused on patient selection, patient safety, pharmacology and the management of common adverse events. As significant adverse events are rare, this “hands-on” model of training is especially pertinent.

Purpose

Participants will gain clinical skills and a deeper understanding regarding issues related to sedation assessment, development of a sedation plan, recognition and management of both common and life-threatening adverse events in sedation practice and sedation pharmacology.

**PROGRAM LIMITED TO
24 PARTICIPANTS**

SPS Sedation Provider Course® Objectives

1. Perform a pre-sedation risk assessment effectively
2. Describe the effects of sedation on pediatric airway tone and respiratory physiology
3. Explain the principles of and interpret the information from pulse oximetry and capnography monitoring
4. Diagnose and manage adverse airway and cardiopulmonary events during sedation
5. Demonstrate knowledge of the pharmacology and uses of common sedative/analgesic drugs
6. Demonstrate hands-on critical competencies related to sedated pediatric patients including all aspects of airway management, ventilation, resource management, and appropriate use of resuscitative measures
7. Describe effective teamwork dynamics and communications skills required by pediatric sedation teams
8. Develop a systematic and rational approach to pediatric sedation

Program • Center for Simulation and Education Enhancement – Sacramento, CA

Friday, October 21, 2022

9:00 AM - 9:30 AM	Registration/Breakfast	12:30 PM - 2:00 PM	Second Simulation Block
9:30 AM - 10:30 AM	Introduction/SIM Review	2:00 PM - 2:30 PM	Lunch
10:30 AM - 12:00 PM	First Simulation Block	2:30 PM - 4:00 PM	Third Simulation Block
12:00 PM - 12:30 PM	Coffee Break	4:00 PM - 4:30 PM	Debriefing/Evaluations
