

Application for Dental Institutional Membership

By offering this membership opportunity with the QA data, the Society's goal is to reduce the rate of complications for children undergoing sedation and to continue educating all health care providers on techniques that reduce complications associated with sedation. Join us and be seen as a leader in the field of pediatric sedation who is dedicated to achieving high quality pediatric care.

Richmond, VA 23230-2005

Platinum Dental Membership Benefits

- A customized and detailed Quality Assurance (QA) report will be provided by the Pediatric Sedation Research Consortium (PSRC) on a quarterly basis
- Detailed quarterly reports including:
 - Peer Group (Specialty) Comparison with institutions of similar size
 - Institutional Comparison with all Hospitals and Providers participating in the Pediatric Research Consortium (National benchmark)
 - Statistical analysis and breakdown of patient physical status, pharmacological agents used, and type of complications occurring in sponsoring institutions with institutions of similar size, the PRSC, and specialty of the providers
- Ten hours of consultation with Members of the SPS Executive Committee who represent a multi-specialty group of individuals with expertise in pediatric sedation. Travel expenses for onsite visitation will be the responsibility of the requesting institution.
- Access to educational materials on the Society for Pediatric Sedation website
- Unlimited membership for staff, including dentists and/or licensed members of practice staff.
- Reduced rate for members attending the Annual Pediatric Sedation Conference and workshops
- Advertisement of the sponsoring institution on the Society for Pediatric Sedation (SPS) Website
- A link to the sponsoring hospital institution's website
